

This folder contains replication files for the article "Price Setting with Customer Capital: Sales, Teasers, and Rigidity" by Leena Rudanko published in the Journal of Political Economy Macroeconomics. Figures 1 and 2 of the article may be reproduced by running the program main_psc.m in MATLAB. In addition to this main program, the folder contains programs called by the main program, as listed below.

main_psc.m

resid_dim5case1_psc.m

resid_dim5case2_psc.m

resid_dim5case3_psc.m

resid_dim5case4_psc.m

resid_dim5case5_psc.m

resid_dim5case6_psc.m
